Regional Broadband Consortium: Los Angeles Digital Equity Action League (LA DEAL)

Summary Prepared By: Sulaiman Kenyatta

Title of Report: Los Angeles County Data Transmittal

Author(s) of Report: Various

Date of Report Publication: Various

Date Submitted: 1-31-2022; Updated 3-11-2022

Summary of Data Collected

1. Los Angeles County Cal Fresh Recipients
2. Los Angeles County Medical Recipients
3. Los Angeles County Schools – Free & Reduced-Price Meals
4. Los Angeles County Office of Education Hot Spots Information

Notes:

1. LA DEAL requested email data CalFresh and Medi-Cal programs in Los Angeles County from CA Department of Public Social Services (DPSS) and received the following information:
 - The total number of CalFresh applicants/payees that have an email address on file is 660,664.
 - The number of Medi-Cal adults that have an email address on file is 1,446,389.
2. LA DEAL has requested email data from the larger school districts in Los Angeles County regarding distribution of Wi-Fi Hotspots and Devices and is awaiting response. If the data is provided prior to February 28, 2022, it will be transmitted as part of the LA County SCAG Grant Data Collection.
